

WEEKLY UPDATE

**October 14, 2020**

Dear Residents and Families/Representatives,

We are happy to report that, as of today, Devlin Manor Nursing & Rehabilitation has no confirmed cases of COVID-19. We continue to follow the recommendations of our health officials and practice the enhanced safety measures that are listed on our website and previous communications.

We know the past few months have been a big adjustment for everyone, especially our residents. While our staff is working is very hard to make sure they are safe, we also want to make sure they are having some fun! Our Activities Department is working hard to provide modified and individual activities to engage our residents interest while maintaining safety.

Devlin Manor is proud to announce we have resumed limited visitations through our new visitor center. The visitor center is located in the front of the building in a location that allows for the safety of both our residents and visitors. Visitations will be limited to 30" minutes and by appointment M-F.

As always, please continue to check our website for updates. We will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly 301-724-1400.

Sincerely,

A handwritten signature in black ink, appearing to read "Christopher Adams". The signature is stylized and written over a light blue horizontal line.

**COVID NOTIFICATION/UPDATE**

**October 27, 2020**

To Our Valued Residents, Families and Representatives: We recently received confirmation that one staff member in our facility tested positive for COVID-19. While we are disappointed that we have a staff member with COVID after we have worked so hard to prevent the spread of this virus in our facility, we know that we are dealing with an extremely contagious virus. Rather than be discouraged by this, we are going focus our efforts on taking all necessary steps to protect our residents and staff.

We are committed to eliminating this virus from our facility and we will continue to implement and practice enhanced safety precautions recommended by our federal, state and local health officials, such as, only allowing essential personnel inside the facility, performing regular screenings for signs and symptoms of illness prior to entering the building, continually monitoring residents, performing regular deep cleanings, using PPE as recommended by the CDC, providing individual activities as opposed to group activities, implementing isolation protocols as required, and reminding and encouraging staff to practice social distancing and to use hand sanitizer and frequently wash their hands when they are in the facility and out in the community.

As a reminder, we will post updates on our facility website at [www.devlinmanornursingandrehab.com](http://www.devlinmanornursingandrehab.com) and we will individually notify representatives/families regarding a resident's condition if he/she tests positive for COVID-19 or is displaying symptoms of COVID-19. If you have any questions or concerns please contact us directly at 301-724-1400.

Sincerely,

A handwritten signature in black ink, appearing to read "Chris Adams", written over a white background.

October 9, 2020

Dear Residents and/or Family Representatives,

I am happy to announce, effective October 19<sup>th</sup>, 2020, Devlin Manor will begin indoor visitations. Window visits will continue during this time. The following guidelines must be strictly adhered to for a successful indoor visitation program.

- No more than 2 visitors at the visit.
- The visit may last up to 20 minutes.
- Residents and visitors must wear a mask (Covering the mouth and nose) the entire visit.
- There can be **NO PHYSICAL CONTACT**.
- 6 feet social distance must be maintained at all times.
- The visit must be supervised by a staff member.
- Residents and visitors must perform hand hygiene before and after the visit.
- Residents and visitors must pass a "Prevent COVID-19 Screening" that includes a questionnaire and a body temperature no greater than 99 degrees Fahrenheit at the time of the visit.

Our indoor visitation schedules are available as follows and will be filled on a first call basis. Please call the receptionist at 301- 724-1400 to schedule. If you desire more than 1 visit per week, you will be placed on a list to be called if there are any cancelations or vacancies. In an effort to promote multiple residents/families an opportunity for visitations, we will not be able to schedule standing appointments week over week.

**The visitation schedule will be as follows:**

Monday, Wednesday and Friday	10:00am to 3:00pm; lunch break from Noon - 1 :00pm
Tuesday and Thursday	10:00am to 7:00pm; lunch break from Noon – 1:00pm and dinner break from 5:00pm – 6:00pm
Saturday and Sunday	9:00am to Noon

All in door visitation will need to immediately cease if our Center receives notification of a Positive COVID-19 case in either staff or residents.

Additionally, it is important to note that if there is any physical contact between residents and their visitors, intentionally or accidentally, the resident will automatically be placed in our COVID-19 quarantine area for 14 days.

As you can see, there are strict guidelines in place to ensure the continued safety of our residents and staff. However, we are so excited for this opportunity to give our residents much needed time outside to enjoy the fresh air while visiting with loved ones. We thank you, in advance, for understanding and adhering to all of our guidelines set forth.
