Weekly COVID Update

August 26, 2021

Dear Residents and Families/Representatives, please accept this letter as our update regarding the status of COVID-19 in our facility. Over the past week there have been no new cases of COVID for staff or residents, and our last positive case was August 18th. At this time, our total positive cases are 4 staff members and zero residents.

All in-person visitation will be suspended until our outbreak is over. Face time visitation will continue, please call to schedule an appointment. We are working very hard to prevent the spread of infection and following all of the recommendations of our federal and local health officials.

We continue to test all residents and staff weekly. If no new cases are reported we plan on resuming in-person visitation on September 2, 2021.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-724-1400.

Sincerely,

Christopher Adams, MBA, LNHA

Administrator
