Weekly COVID Update

September 2, 2021

Dear Residents and Families/Representatives, Please accept this letter as our update regarding the status of COVID-19 in our facility. At this time we have no positive cases. Our vaccination rates are 95% for residents and 86% for staff. We are able to offer both staff and resident vaccines when requested.

All in-person visitation has resumed as of September 2, 2021.

We continue to test all staff weekly based on the county positivity rate.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-724-1400.

Sincerely,
