## **NOTIFICATION OF NEW CASE**

**September 7, 2021**

Dear Residents and Families/Representatives,

We want to inform you that, unfortunately, we had 1 staff member test positive on September 4th. At this time our total positive cases are 1 staff member and zero residents. All in-person visitation will be suspended until our outbreak is over. Face time visitation will continue, call to schedule an appointment. We are working very hard to prevent the spread of infection and following all of the recommendations of our federal and local health officials.

Please continue to check our website for weekly updates as well as notification of new cases. As always, we will notify you if we receive confirmation of a new positive case in our facility and we will reach out to you individually if your loved one is displaying symptoms of COVID-19 or tests positive for COVID-19.

If you have any questions or concerns please contact us directly at 301-724-1400.

Sincerely,

*Christopher Adams*
